**STORY**

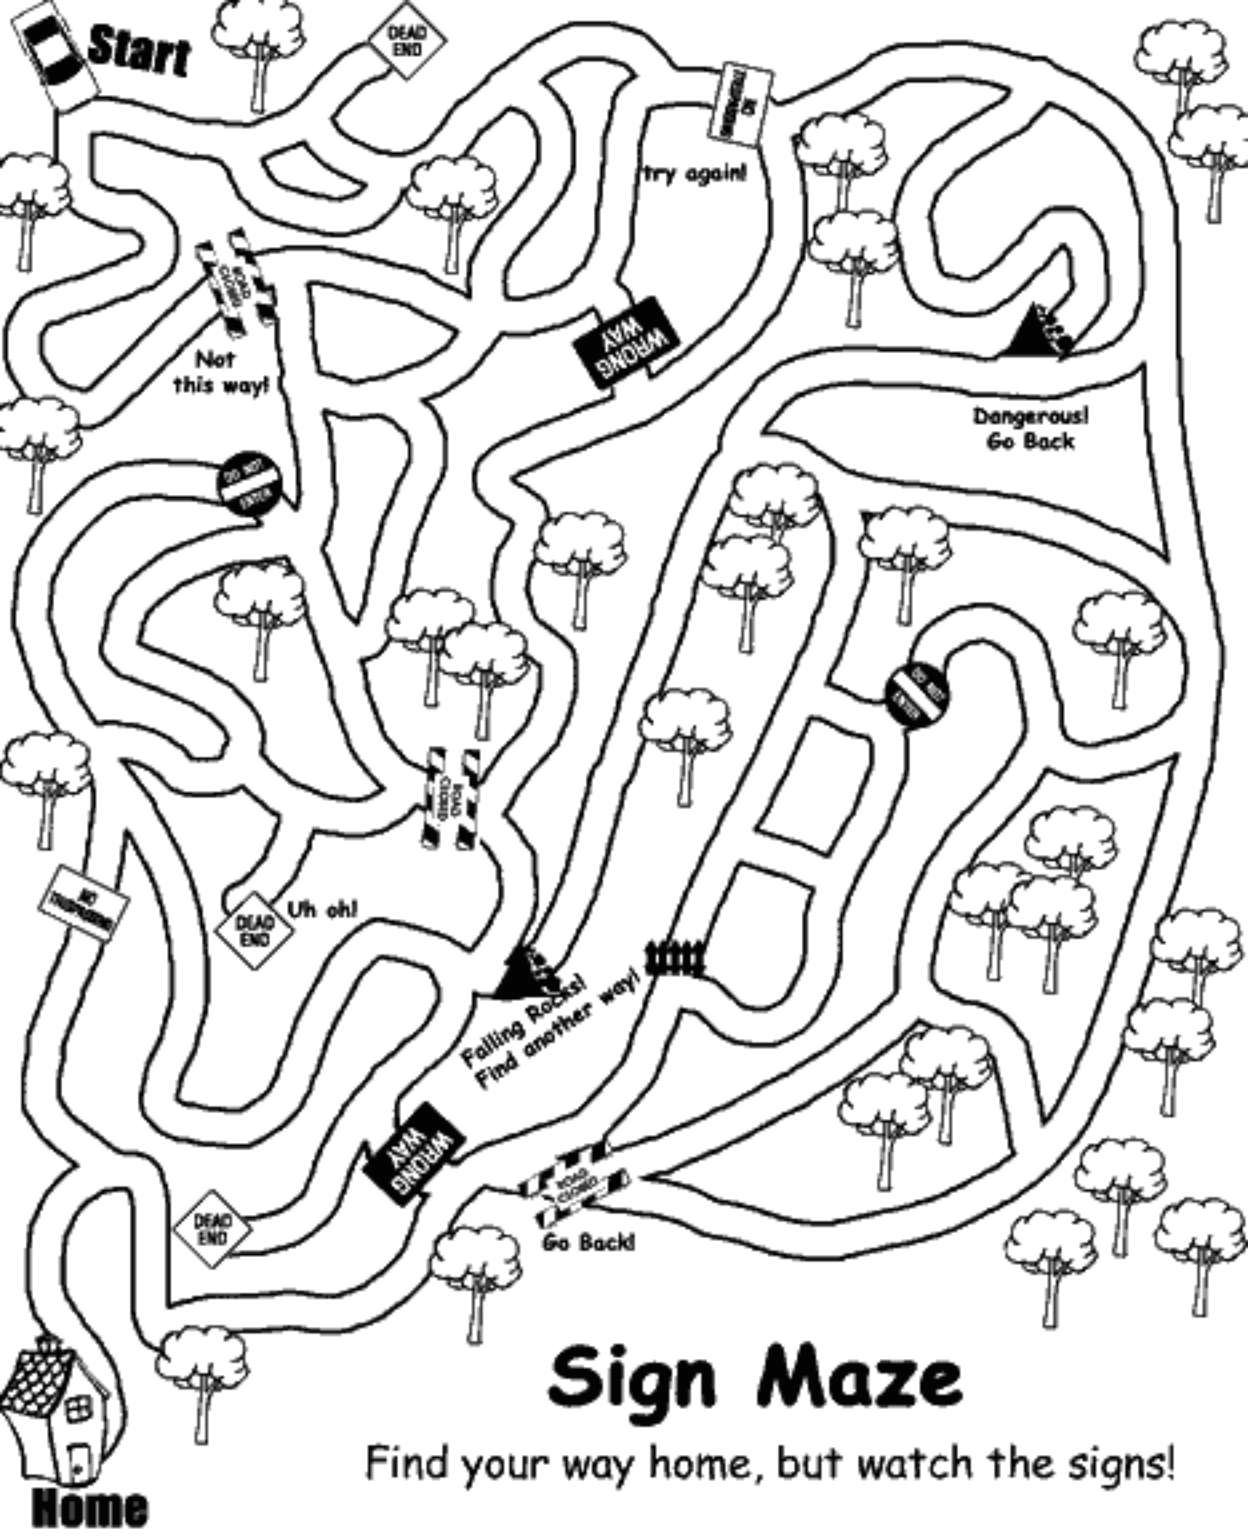

**Preparation:** This game is for one or more players.

Print out a sheet for each player. Color the start car the color of your car. Then color the rest of the cars many different colors.

**Play:** To move forward, you must see a real car that is the same color as one of the colored cars next on the game board. Draw a line along the road following the cars. Each time you reach a stop sign it is the next person's turn. If you come to a yield sign, you may continue, but only if you see a car of the right color. # NEIGHBORHOOD MAP

Decorate the map with Crayola® Markers or Colored Pencils. As you follow the directions to discover where Catherine is going, draw a line on each street she walks on. Use the compass rose to help you.

## Directions:

Catherine leaves her house and walks east on Elm Court. She makes a right and heads south on Main Street. When she reaches Fifth Street she turns east. At Berry Drive Catherine walks north. She walks past the supermarket parking lot and makes a left onto Dale Lane. Where is Catherine?

Write down directions from the supermarket to Ruth's house. Who lives across the street from the library?
